*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Have you ever set a goal for prosperity, put in place a plan to make it happen and worked diligently on it to bring it to fruition only to have to best efforts come to nothing? Have you done it more than once? When it comes to wealth, there is one thing that only the truly enlightened teachers agree on - one thing that will completely determine the outcome of any great endeavour that will lead inexorably to a prosperous life. There are many books on prosperity and wealth creation, but few of them provide the complete story. Money is above all else the result of energy flow, in fact some writers go as far as to say money is energy, either way, your energy is the key to your wealth. If your energy flow is blocked then your money flow will also be blocked. In this book James Allen breaks down the creation of wealth into the 8 pillars, starting fundamentally with energy as the first pillar. Often other teachers leave the flow of energy until much later, but Allen has identified that in fact it is the essential element that must be put in place before anything else will work. Then and only then does he move on to the rest of the stages. Chapters: Preface Eight pillars First pillar - Energy Second pillar - Economy Third pillar - Integrity Fourth pillar - System Fifth pillar - Sympathy Sixth pillar - Sincerity Seventh pillar - Impartiality Eighth pillar - Self-reliance The temple of prosperity Each of the 8 pillars is carefully crafted to provide you with a cohesive journey from where you are to where you...
