By Saul H Rosenthal

Wheatmark. Paperback. Book Condition: New. Paperback. 156 pages. Faux amis (false friends) are French words that look and sound like English words but have different meanings than what you'd expect. You'll learn how each French word differs from the English one. Almost all of them are also accompanied by examples of the word used in sentences and phrases to illustrate, and to make very clear, exactly how it should be used. When you have finished reading this book, you will hopefully remember most of these faux amis simply because they are really fascinating to learn...
