During the regular term the students will have an opportunity of visiting the various hospitals of the city, under circumstances which will enable them to observe medical and surgical treatment, to listen to clinical teaching, and make records of the progressive development of diseases with the result of Medicine and Hygiene. The Faculty also intend an immediate organization of such elements of interesting and varied clinical instruction in connection with the College as will compare favorably with any Medical school in the United States. The Faculty desire to call the attention of Students to a few facts which are peculiar to San Francisco, and which afford unparalleled advantages in the prosecution of medical studies. 1st. There is no...

### Reviews

*Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.*

-- **Elinore Vandervort**

*If you need to add benefit, a must buy book. I could possibly comprehend every little thing out of this composed e pdf. I am quickly could get a enjoyment of looking at a composed book.*
