Brand New Book ***** Print on Demand *****.INTRODUCTION: In undertaking to write a memoir of the late Sir Victoria Brooke, coupled with extracts from his letters and diaries relating to travel and sporting adventures, I have not been actuated by the feeling that I possess any special qualification for the task, except that of intimate friendship extending over twenty years. This early works also contains a chapter on his researches in Natural History and is a fascinating novel of the period. Many of the earliest books, particularly those dating back to the 1900 s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
