HOME BUYING, EVERYTHING YOU MUST KNOW

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 138 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. No one can teach you what home you would like to live in, that will be up to you. What I can show you is what homes will increase the most in value. What homes could be gems in the rough that others may not see. How to determine what improvements will increase the value of your investment. Where to find properties which will be the best value. Ways to convince sellers to give you the best price. Which creative techniques you see on late night TV work and which do not. This book was written with the concept that as a soon to be home owner, or second home owner, you want to know Everything You Must Know but do not want to spend your valuable time studying endless long manuals with information which you will never use. Experts tend to write everything they know rather than what the student is looking for. In plain and easy to understand language we will walk together in fun ways to help you gain the mindset of home buying. Chapter overview: 1. Real Estate, An Investment Examines other investments to demonstrate the value of money, the expected return on investment and the value of today's money tomorrow. 2. What Is Real Estate Discusses the concepts behind property rights and the types of rights which can be purchased. 3. Who Are The players Lists the people whom you will be dealing with and what their tasks and responsibilities are in the transfer. 4. Transaction A step by step example sales transaction showing what is going on behind the scenes. 5. Finding Value Concepts on value and demographics. 6. Highest And Best...
