Harper Collins Publ. USA Jan 2013, 2013. Taschenbuch. Book Condition: Neu. 203x134x30 mm. Neuware - 'Richard Ford is doing his very best in his extraordinary new novel. and hes doing it with a level of linguistic mastery that is rivaled by few, if any, in American letters today. Canada is a tale of what happens when we cross certain lines and can never go back. It is an examination of the redemptive power of articulated memory, and it is a masterwork by one of our finest writers working at the top of his form.' -- Andre Dubus III, New York Times Book Review 'First, Ill tell about the robbery our parents committed. Then the murders, which happened later.' When fifteen-year-old Del Parsons parents rob a bank, his sense of normal life is forever altered. In an instant, this private cataclysm drives his life into before and after, a threshold that can never be uncrossed. His parents arrest and imprisonment mean a threatening and uncertain for Del and his twin sister, Berner. Willful and burning with resentment, Berner flees their home in Montana, abandoning her brother and her life. But Del is not completely alone. Undone by the calamity of his parents robbery and arrest, Del struggles under the vast prairie sky to remake himself and define the adults he thought he knew. But his search for grace and peace only moves him nearer a harrowing and murderous collision with Remlinger, an elemental force of darkness. A true masterwork of haunting and spectacular vision from...
