Excerpt: . . . 11 egory is a general visa that applies to a wide range of workers. These visas can be granted to everyone from bakers to occupational therapists to computer programmers and fashion models. If we just increase the H - 1B caps, we will not be targeting our specific need for high tech workers. Instead, we may end up inadvertently pro-viding a supply of workers in other fields for which there may not be any shortage of labor at all. The second problem with continuing to simply raise the H - 1B cap is that it does not address the long-term education and training challenges that we face. In June, the Joint Economic Committee, which has already been referred to and on which I sit, convened a 3-day high technology summit to discuss the impact of technology on our Nations economy. It was helpful in terms of...
