What happens when Matt and Ella reunite one year after their breakup? Are second chances really possible? Before Matt, Ella had a plan. Get over her ex-boyfriend and graduate high school simple as that. But Matt the cute, shy, bespectacled bass player was never part of that plan. And neither was attending a party that was crashed by the cops just minutes after they arrived. Or spending an entire night saying yes to every crazy, fun thing they could think of. But then Matt leaves town, breaking Ella's heart. And when he shows up a year later wanting to relive the night that brought them together Ella isn't sure whether Matt's worth a second chance. Or if re-creating the past can help them create a different future.
