PRIVATE EMPLOYMENT OFFICES. There can be little doubt that the most important agencies for the distribution of labor in Massachusetts and in Boston are the private employment agencies. There are 96 of these agencies in Boston, and it is estimated that there are from 250 to 300 of them in the State. The State law provides that such agencies shall pay a license fee of not less than \$2; that fees shall not be accepted unless employment is furnished; and that in case of discharge within 10 days...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
