Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Coos Texts, Vol. 1 The texts contained in the present volume represent two different collections. The first nineteen myths were collected by me in the summer of 1909, under the auspices of the Bureau of American Ethnology. My sole informant was Jim Buchanan, a Coos Indian, living in Acme, Lane County, Oregon. He is at the present time the only member of the Coos tribe who still remembers and can relate coherently some of the myths and traditions of the by-gone generations. The texts numbered 20-32 were collected by Mr. Harry Hull St. Clair, 2d, in the summer of 1903. His informants, I understand, were Jim Buchanan and Tom Hollis, the latter of whom lives at present on the Siletz Reservation, in the State of Oregon. Owing to the fact that a few texts obtained from Jim Buchanan were not as vivid in his memory as some of the other traditions, they will be found lacking in continuity of narration and in clearness of description. Some of these texts are abundant in obscure passages. We are in certain cases especially in doubt as to the performer of an action or to the identity of the speaker. While it might have been comparatively easy to restore to these passages their original definiteness, I thought it advisable (mainly from linguistic considerations) to let them stand as they were narrated, leaving the interpretation of the intended meaning to the good judgment of the reader. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
