## WESSEX TALES (HARDBACK)

ALAN RODGERS BOOKS, United States, 2006. Hardback. Book Condition: New. 230 x 158 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In addition to his great Wessex Novels, Thomas Hardy wrote Wessex Tales (1896), a collection of six stories written in the 1880s and 1890s that, for the most part, are as bleakly ironic and unforgiving as the darkest of his great novels -- Jude the Obscure. But this great novelist began and ended his writing career as a poet. In-between, he wrote a number of books that many readers find emotionally-wrenching, but which are considered among the classics of 19th Century British literature, including Far from the Madding Crowd, and Tess of the D Urbervilles. Readers will experience Hardy s uncompromising, unsentimental realism in Wessex Tales, and for those seeking a taste of the Dorset poet and novelist, they represent an ideal start.
