NATIVE BELIEVER: A NOVEL (PAPERBACK)

[DOWNLOAD](#)

Akashic Books,U.S., United States, 2016. Paperback. Book Condition: New. 203 x 159 mm. Language: English . Brand New Book. Ali Eteraz has written a hurricane of a novel. It blows open the secrets and longings of Muslim immigration to the West, sweeping us up in the drama of identity in ways newly raw. This is no poised and prettified tale; buckle in for a uproariously messy and revealing ride. --Lorraine Adams, author of *The Room and the Chair* Merciless, intellectually lacerating, and brutally funny, *Native Believer* is not merely a Gonzo panorama of Muslim America--it's one of the most incisive novels I've ever read on America itself. Eteraz paints our empire with the same erotic longing and black, depraved wit that Nabokov used fifty-six years ago in *Lolita*. But whereas Nabokov's work was set in the heyday of America's cheerful upswing, Eteraz sets the country in the new, fractious world order. Here, sex, money, and violence all stake their claims on treacherously shifting identities--and neither love nor god is an escape. --Molly Crabapple, author of *Drawing Blood* Ali Eteraz has written a novel, both heartbreaking and exultant, about how it feels to get scalded by the great melting pot. He is a writer of tremendous nuance, sensitivity, and insight. An enormous triumph in its own right, *Native Believer* also points toward an even brighter future for American fiction. --Andrew Ervin, author of *Burning Down George Orwell's House* Knife-sharp and ruthlessly funny, *Native Believer* is the American novel of now. Right now. Eteraz's writing is exciting, beautiful, and jam-packed with intelligent surprise. I saw myself among its infidels and dreamers, its pornographers and heathens, its believers, the lovers, and the lost. I could not put it down. --Scott Cheshire, author of *High as the Horses...*
