

Rising from the Rails: Pullman Porters and the Making of the Black Middle Class

Filesize: 2 MB

Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Holt McDougal. Paperback / softback. Book Condition: new. BRAND NEW, Rising from the Rails: Pullman Porters and the Making of the Black Middle Class, Larry Tye, "A lively and engaging chronicle that adds yet another dimension to the historical record."-The Boston Globe When George Pullman began recruiting Southern blacks as porters in his luxurious new sleeping cars, the former slaves suffering under Jim Crow laws found his offer of a steady job and worldly experience irresistible. They quickly signed up to serve as maid, waiter, concierge, nanny, and occasionally doctor and undertaker to cars full of white passengers, making the Pullman Company the largest employer of African Americans in the country by the 1920s. Drawing on extensive interviews with dozens of porters and their descendants, Larry Tye reconstructs the complicated world of the Pullman porter and the vital cultural, political, and economic roles they played as forerunners of the modern black middle class. "Rising from the Rails" provides a lively and enlightening look at this important social phenomenon.
