Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, The Fall of Charlie Dixon, David Couldrey, The Fall of Charlie Dixon follows the eponymous Charlie and his friends as they react to the turbulent events of the Noughties. From 9/11, via the War on Terror and the 7/7 bombings in London, history looms large in their lives. As terrorist attacks overshadow the decade, more and more of Britain's youth are pulled into the murky world of anger, violence and Islamophobia. When Charlie falls for the girlfriend of the leader of The Defence of The Realm League, he is inexorably drawn into the chaos that ensues. As the League becomes ever more violent, it becomes clear that some won't survive the decade. Exploring the various trials of adolescent friendship, betrayal and love against the backdrop of the time, The Fall of Charlie Dixon is both a cautionary tale and a black comedy.
