*****.Kinesthetic Vocabulary Activities Your Child Will Love: In

Just 27 Days Improve Your Kinesthetic Child's Vocabulary and

Reading Comprehension can help end your frustration as a

parent. It provides answers to the burning questions tens of

thousands of parents and teachers of kinesthetic children and

teens have asked me, including: How do I develop my kinesthetic

child or teen's vocabulary when he or she cannot sit still and

thinks vocabulary is boring? Kinesthetic learners learn

vocabulary using different strategies and activities from learners

of other learning styles or brain styles such as visual learners,

auditory learners, or tactile learners, whether right brain or left

brain preference. Students with a right-brain preference learn

differently from those with a left-brain preference. If traditional

methods of learning vocabulary words are not working for your

kinesthetic child (K-12), it could be that the teaching method

does not match your kinesthetic child or teen's method of

learning. These techniques have worked for students diagnosed

or suspected of having ADHD or ADD also. If you are looking

for...
