THE ROMANOV CROSS

[DOWNLOAD](#)

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Romanov Cross, Robert Masello, Almost a century ago, a desperate young woman crawled ashore a desolate Arctic island carrying a mysterious emerald-encrusted cross and a terrible secret. In the present day, Army epidemiologist Frank Slater is facing a court-martial, but after his punishment is mysteriously lifted, Slater is offered a job no one else wants - to travel to a small island off the coast of Alaska and investigate a potentially lethal phenomenon: The permafrost has begun to melt, exposing bodies from a colony that was wiped out by the dreaded Spanish flu of 1918. Frank must determine if the thawed remains still carry the deadly virus in their frozen flesh and, if so, ensure that it doesn't come back to life. The colony, it transpires, was once settled by a sect devoted to the mad Russian monk Rasputin, but there is even more hiding in the past than Frank's team is aware of. By the time Frank discovers that his mission has been crashed by a gang of reckless treasure hunters he will be in a brutal race against time. With his signature blend of fascinating history and fantastic imagination, critically acclaimed author Robert Masello has once again crafted a terrifying story of past events coming back to haunt the present day .and of dark deeds aching to be unearthed.
