*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Famed FBI Agent Hank Garrison has caught his fair share of criminals, but after failing to capture a murderer he decides that it would be best to take some time off and spend it in Florida with his wife and children. Unfortunately, as soon as Garrison arrives in the Sunshine State he realizes that crime just won't take time off from him. A series of murders take place during Garrison's vacation and somehow each victim is mysteriously connected to him. With the killer leaving subtle clues it becomes apparent to Garrison that someone is playing a game with him- a game like no other- one where the rules are deadly. And like every game, there can only be one winner in the end.
