Engels said: around the new fortified city. stands high and steep walls. and not without reason. Their trenches deep grave for the clan system. and their towers crown the era of civilization. The emergence of the city. in the human the history of the development of civilization is indeed a leap across time. The development of the city. becoming a country. a nation. a regional political and economic and cultural center. became the most concentrated land of material wealth and spiritual wealth. A history of the development of human civilization. the city occupies a very important position. China is a well-known ancient civilizations. the history of the Chinese city walls built very long. extremely superb technical construction of the wall. the walls of the type of extremely rich city wall built by the largest number. If the walls of this building type. I am afraid it is difficult to be compared to many of the world's ancient civilizations. Take the recent discovery of the ancient ruins of the New Stone Age in Zhengzhou Xishan. compared with the more ancient Mesopotamia and Egypt nearly 5.000 years of ancient city ruins. Sima Qian. Records of the Historian documented summer IWC. summer castle. the ancient city as much as non-win total. If for defense fortifications structures. the predecessor of...
