CLIMB THE MOUNTAIN - YOU CAN, YES YOU! (PAPERBACK)

Plain Vision Publishing, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It explores the possibility of a new beginning even after one experiences what they consider to be failure. It starts off by looking at the number 8 as the number of new beginnings - .the eighth day was the dawn of a new beginning for Adam in the garden. That was the beginning of God releasing His creation over to Adam to take care of it and cultivate it, taking Adam s life to a new standard of living. There are seven days in a week but the eighth day is a completely new beginning to a new week of new possibilities and new opportunities. The author encourages the reader: .If for any reason you felt that you have failed in the past, now is the time to begin again. with a view to climbing those mountains in your life. The mountain peaks of achievement and advancement are never crowded. Not many people aspire to climb because it is hard work! But what most people fail to realize is the significance of just being on the mountain. The climb is usually difficult but the benefits are overwhelming. You must have the vision to dream big; the strength and courage to reach what others describe as impossible, and the determination and will to transform your life into a miracle.
