## The Operational Risk Handbook for Financial Companies: A Guide to the New World of Performance-oriented Operational Risk

By Brian Barnier

Harriman House Publishing. Paperback. Book Condition: new. BRAND NEW, The Operational Risk Handbook for Financial Companies: A Guide to the New World of Performance-oriented Operational Risk, Brian Barnier, The Operational Risk Handbook for Financial Companies is a groundbreaking new book. It seeks to apply for the first time a range of proven operational risk techniques from other industries and disciplines to the troubled territory of financial services. Operational risk expert Brian Barnier introduces a range of sophisticated, dependable and - crucially - approachable tools for risk evaluation, risk response and risk governance. He provides a more robust way of gaining a better picture of risks, shows how to build risk-return awareness into decision making, and how to fix (and not just report) risks. The practical importance of fully understanding and acting on risk to the business begins in the foreword on plan-B thinking, penned by Marshall Carter, chairman of the NYSE and deputy chairman of NYSE Euronext. The book is unique because: - It is not just about modeling and a few basic tools derived from regulatory requirements. Instead, it looks at management of risk to operations across industries, professional disciplines and history to help ops risk leaders become aware...
