## CEDAR CHESTS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Cedar Chests Believing that the popularity of the cedar chest as a cabinet making project has reached considerable proportions, the author has endeavored to embody under one cover all information necessary to the design and construction of a variety of chests. In addition to this mechanical aspect of the work, he has presented some information of educational character on red cedar as a wood, and something of interest concerning the development of the chest. As information of this character has been lacking in the past, he hopes that the book will meet with the approval of teachers who will use it in their work. Acknowledgment is due to the Forest Service for the use of the illustrations in Chapter I, to two of the author's students, Otto J. Teegen and James A. Kelly, for the great assistance rendered by them in the preparation of the drawings, and to the Metropolitan Museum of Art, New York City, for permission to reproduce photographs of historic chests in its collections. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
