When was the last time you found yourself in a tough sticky situation where somebody was upset, angry, disagreeing or yelling at you about to make your life a living hell and you thought they were going to pound your teeth out, smack you across the face, and smash your head on the concrete pavement, or threatening to sue you with a lawsuit. or vice versa, it was you who wanted to do all these things to them. Or perhaps maybe the issue might have been more internal such as YOU, yourself, were upset or angry not at ease with yourself in turmoil. The point is. .problems, or conflicts, happen all the time. They will occur at home or at work, with anybody you meet or know, whether it s a spouse and loved one, friend and family, or co-worker and colleague. Conflicts are not always avoidable but they are controllable. That s where conflict resolution comes in. For your safety, well-being, and best interest, it s important to...
