CONCERNING REPENTANCE

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 108 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. These two books were written against the Novatian heresy, which took its name, and to a considerable extent its form, from Novatus, a priest of the Church of Carthage, and Novatian, schismatically consecrated bishop at Rome. It was the outcome of a struggle which had long existed in the Church upon the question of the restitution to Church privileges of those who had fallen into grievous sin, and the possibility of their repentance. The severest ground was taken by the Novatians, who were condemned successively by many councils, which maintained the power of the Church to admit those guilty of any sin whatsoever to repentance, and prescribed various rules and penalties applicable to different cases. The heresy, however, lasted for some time, becoming weaker in the fifth century, and gradually fading away as a separate body with a distinctive name. Novatianism, in the tests which it used, its efforts after a perfectly pure communion, its crotchety interpretations of Scripture, and many other features, presents a striking parallel to many modern sects. See Dict. Chr. He begins by commending gentleness, a quality singularly wanting in the sect; speaks of the power committed to the Church of forgiving the greatest sins, and points out how God is more inclined to mercy than to severity, and refutes the arguments of the Novatians based on certain passages of holy Scripture. In the second book, after urging the necessity of careful and speedy repentance, and the necessity of confessing ones...
