## THE BIBLE CODES AND YOUR BABY S NAME: DOES THE MOST POPULAR BOOK EVER WRITTEN CONTAIN CLUES TO YOUR BABY S NAME? (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a list of names. This list came from a website that lists the 100 most popular girls and boys names by year; we ve listed the names for 2012. There are many baby-name books on the market, but none like this one. This book spells out the names, vertically down the page, and has a Bible verse attached to each letter of each name. While the verses were chosen at random, still, parents are going to recognize some clues of their new child s psychological, physical, or personality traits contained in the verses used for their baby s name. This is not intended by the author. But it is how the human brain and mind works. Why a list of names in an already over-crowded market of baby name books? Because this book reminds us all of the importance of caring for the next generation of our species, starting with the basics - parents, a home, and their name. Included in this book are spiritual clues to the new human being s future, contained within the parent s choice of their baby s name. The naming of a new child is usually a heart-warming event. Parents give months of thought to their child s future identity - do they hang a funny-sounding, but long-lasting family name on their baby, or do they make something up, hoping the name catches on and lasts for generations? Do they combine their names into a new name, or do they wait until the baby is born and tells them what they want to be called? Another popular method of finding a baby s name is to name the child...
