Reviews

It is one of the most popular ebooks. Better than ever, though I am quite late in starting to read this one. You will not feel monotony at any moment of your own time (that's what catalogs are for about when you request me).

They spent the years that follows requisitioning apartments from left-wing sympathisers, stealing cars and robbing banks in preparation for attacks on US military bases. After an intense manhunt, the ringleaders of the group, which now called itself the Red Army Faction (RAF), were finally captured in 1972. Their prolonged trial began in 1975 and lasted for almost 2 years, in the course of which Ulrike Meinhof hanged herself in her cell. The other members of the group were convicted and received life sentences. The 'war of six against sixty million' (Heinrich Boll) reached its climax in the autumn of 1977 when supporters tried to secure their release by kidnapping the president of the German Employers' Association, Hanns Martin Schleyer, and later by hijacking a Lufthansa jet, which was eventually captured by German special forces at Mogadishu airport. On the morning the rescue was announced, Andreas Baader, Gudrun Ensslin and Jan-Carl Raspe were all found dead in their cells. The 'German Autumn' marked the violent peak of a journey that had begun with peaceful protests against the American war in Vietnam : moral outrage had turned...
