Secondly absence of support from the large majority of the poor makes these institutions not only shallow but non-democratic. Thus the future of institutions like Panchayat Raj is closely inter woven with larger democratic movements. Grass roots democratic institutions can never become visible and vibrant unless the large majority of rural poor become a part of the democratic consciousness and constitute the social base of these institutions future of institutions like Panchayati Raj is closely inter woven with larger democratic movements. This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
