Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In 2010, the Agency for Healthcare Research and Quality (AHRQ) charged the Oregon Evidence-based Practice Center with conducting a Comparative Effectiveness Review (CER) to assess the effectiveness of outpatient case management as an intervention strategy for chronic illness management. The Key Questions the review addressed were: Key Question 1. In adults with chronic medical illness and complex care needs, is case management effective in improving: 1a. Patient-centered outcomes, including mortality, quality of life, disease-specific health outcomes, avoidance of nursing home placement, and patient satisfaction with care? 1b. Quality of care, as indicated by disease-specific process measures, receipt of recommended health care services, adherence to therapy, missed appointments, patient self-management, and changes in health behavior? 1c. Resource utilization, including overall financial cost, hospitalization rates, days in the hospital, emergency department use, and number of clinic visits (including primary care and other provider visits)? Key Question 2. Does the effectiveness of case management differ according to patient characteristics, including but not limited

### Reviews

*It is one of the most popular ebook. It usually fails to price an excessive amount of. It has been printed in an extremely basic way in fact it is merely right after I finished reading through this book in which really altered me, change the way I believe.*
